DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

Commissioner for Patents

The reply brief filed 30 August 2004 has been entered and considered. The application has been forwarded to the Board of Patent Appeals and Interferences for decision on the appeal.

A review of the file has uncovered the section 120 priority claim page referenced previously (see Office action of 14 July 2003). The totality of the evidence shows that priority under section 120 as claimed is proper.
